In Progress

EXPERIENCE

Owner / JSB Resell

JSB Resell Co.

*Salt Lake City, UT
May 2023 - Present*

- Built and managed an independent basketball shoe resale business, overseeing inventory, online sales, customer relationships, and marketing.
- Grew the business's Instagram following to approximately 10,000 while using social media and online marketplaces to reach potential customers.
- Managed hundreds of pairs of inventory while buying, pricing, and selling basketball shoes based on customer demand and market opportunities.
- Built relationships with customers and athletes, including NBA and NCAA-level players, through professional communication and customer service.

Member Service Representative

UCCU

*Draper, UT
December 2024 - September 2025*

- Processed deposits, withdrawals, and other financial transactions accurately while providing professional service to members.
- Assisted members with account questions and concerns, using problem solving skills to help resolve account issues.
- Recommended banking services based on member needs while developing knowledge of financial products and banking operations.
- Handled members' money and sensitive financial information responsibly while building professional relationships with members and coworkers.

Camping Associate

Sportsman's Warehouse

South Jordan, UT

March 2024 - December 2024

- Assisted customers in finding camping and outdoor products while answering questions and providing recommendations based on their needs.
- Developed knowledge of camping products to provide helpful customer service and support purchasing decisions.
- Stocked merchandise, organized product displays, and assisted with inventory to maintain an organized department.
- Collaborated with coworkers to assist customers and support daily department operations.

ACTIVITIES

USBC Bowling League

Team Member

May 2026 - Present

- Competed in weekly league matches while working with teammates and consistently tracking individual performance.
- Achieved a personal high score of 289 while contributing to team results and remaining committed throughout the season.

Mountain Ridge High School Varsity Basketball

Player / Team Captain

*Mountain Ridge High School, Herriman, UT
2020 - 2024*

- Competed as a four-year varsity basketball player while developing teamwork, discipline, communication, and time-management skills.
- Selected by teammates to serve as team captain during senior year, providing leadership and contributing to a successful season.

- Earned Academic All-Region honors while maintaining a 3.6 GPA and balancing academic and athletic responsibilities.

PROJECTS/PRESENTATIONS

Poverty and Economic Inequality Research Project

Microeconomics, Salt Lake Community College

Salt Lake Community College

Summer 2026

- Researched poverty and economic inequality by analyzing the poverty trap, government assistance programs, and their effects on economic incentives.
- Analyzed economic data and statistics to support ideas and explain complex economic issues in a final research paper.
- Applied research, critical thinking, economic analysis, and written communication skills to connect economic concepts to real-world issues.
